

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Brakleen® Non-Flammable is a powerful, heavy duty cleaner and degreaser for brake, clutch parts and general mechanical equipment. It is formulated to quickly and safely dissolve and flush away grease, oil, brake fluid, transmission fluid, hardened deposits and other contaminants, without the need for disassembly - reducing maintenance costs.

CRC Brakleen® Non-Flammable is also perfect for degreasing components prior to reassembly - especially prior to thread locking. When sprayed, the break up in the liquid stream assists cleaning by providing surface agitation and maximum wet-out. It is rubber safe and safe on most automotive plastics.

II. Features & Benefits

- Ideal for use where a non-flammable parts cleaner is required
- Quick cleaning, Quick evaporating
- Non staining, non-corrosive, leaves no residue
- Does not contain silicones
- No disassembly required – Saves time and maintenance cost
- Controlled spray action – Assists cleaning through surface agitation
- Low surface tension – Gives excellent penetration and ensures superior dissolving and degreasing properties
- Superior cleaning and degreasing properties – Has many uses beyond breaks
- Brakes last longer and perform better
- Helps eliminate disc brake squeal and clutch chatter
- Safely settles and removes hazardous brake dust
- Stable, non-staining and non-corrosive to metals
- Does not contain silicone – Can be painted over

III. Application and Directions

- 1) Spray parts liberally with CRC Brakleen Non-Flammable and allow to run off.
- 2) Air dry or dry with soft cloth
- 3) If necessary, repeat application
- 4) Protect rubber brake parts and painted surfaces from overspray

IV. Typical Properties and Characteristics

Propellant	Carbon Dioxide
Flash Point	None
Fire Point	None
Appearance	Clear liquid
Odour	Strong ethereal
Specific Gravity	1.6
Distillation Range	120°C
Flammability	Non-flammable

V. Package Description

Part Number	Size
5082	550GM

VI. Special Precautions

Do not expose to temperatures exceeding 50°C.

DANGER: Contains materials which may cause cancer in humans. If medical advice is needed, have product container or label at hand. Harmful if inhaled. Use only outdoors or in a well ventilated area. Deliberately sniffing or inhaling concentrated spray can be harmful or fatal. Do not eat, drink or smoke when using this product. Causes skin and severe eye irritation. Wear protective clothing and eye protection.

FIRST AID:

If inhaled and feeling unwell remove to fresh air and keep at rest. If unwell feeling persists, call a Poison Centre or doctor.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present.

If on skin: Wash with plenty of soap and water.

In case of Emergency • Phone 09 278 7913
